

# May is Garlic Mustard Month!

This invasive species harms our native tree seedlings and takes over places they need in order to develop.

## Town-wide Pull

**May 1 to May 30**

Individuals and groups of volunteers needed to pull and collect the invasive plants before they seed. Sign up and adopt a patch around town!

## Disposal Days

**Saturday May 19 & Sunday  
June 3**

**10-1 pm**

DPW on Old Lancaster Road to accept bags of collected invasive garlic mustard (from Sudbury residents only) for permitted disposal.

Join the SWEET, Inc.,  
Town-wide “Eat It and  
Defeat It” Garlic Mustard  
Pull

## Kick-Off Saturday

**May 5**

**10 am - 1 pm**

**DPW parking lot**

**Old Lancaster Road**

Pick up information and disposal bags, then volunteer to help pull plants at important sites.

Please do not use plastic bags! Paper bags (lawn refuse bags are ok)-must be able to fold closed.

If you want bags or info, please email
